Pre-CanSkate is a program designed to teach children aged 3 years and up who are just learning to skate. Using circuits, teaching aids and a variety of activities, the coaches provide a fun environment for learning solid skating skills. After 1 term of Pre-Canskate (either Fall or Winter), the skater graduates to CanSkate. Skaters are required to wear a CSA-certified hockey helmet.

CanSkate is fun for all ages, and abilities and is an essential starting block to learn to skate safely. The CanSkate program is perfect for kids that are new to skating. This program includes the development of specific skills that pertain to hockey, ringette, speed skating and figure skating while promoting the development of skills that are used in everyday life. Most importantly CanSkate has a tested and proven new curriculum and delivery method that guarantee skater success in developing stronger basic skills while developing them faster.

CanSkate Enrichment is a program taught in a group lesson format which teaches the latter stages of the CanSkate Program. This Program is for skaters who want a little more challenge and an introduction to figure skating. The Enrichment program introduces Star 1 elements, creative expression and Skate Canada disciplines dance, skills and freeskate in preparation for Star 2 and their individual freeskate solo.

SKATE CANADA FEE - This is a mandatory fee of the national skating association - Skate Canada. **This amount is payable at time of registration.**

FAMILY DISCOUNT - A discount of 20% of program ice fees will be applied on the lesser amounts to be paid for the second and subsequent skaters registered in the same family.

REFUNDS: 50% OF REGISTRATION PRIOR TO OCT 31/16; NO REFUNDS AFTER OCT 31/16 WITHOUT A LETTER FROM A DOCTOR
